A MESSAGE FROM THE PRESIDENT
October 2019

Dear Club Members,

I'm writing to ask for your help with our single biggest fundraiser of the year – the **NHSA Grass Drags and WaterCross.** (https://nhsa.com/nh-grass-drags-and-watercross/)

For those who may not be familiar, this is one of the premier snowmobiling events in the country, and if you've never been, you really should check it out!

How does this relate to fundraising for the club?

With upwards of 40,000 guests and competitors attending the 3-day event, **NHSA needs a lot of volunteers** to pull this off – everything from selling tickets in the booths, parking cars, security, trash clean up, safety, track attendants, heavy equipment operators, and more. Now, here's the good part: to ensure they get enough volunteers (and last year they were short), **NHSA pay CLUBs $10/hour for all volunteer hours worked.**

One very cool tidbit – our club is responsible for staffing the "Recovery Crew" at the end of the grass drag strip. We are there to remove any snowmobiles that break down during their race and can't get themselves off the track. The bonus is that you have a front row seat to the drag races AND there's a clear line of sight to the WaterCross pond.

Our goal this year is to raise $3,000 from this event. This means that if each volunteer worked 10 hours, we would need 30 volunteers! Over the past three years, we've fallen short of our goal, so we are asking you to consider participating in this fun and beneficial event.

How can you help?

1. **Volunteer!** (and bring a friend). Click to register https://nhsa.com/fundraising-opportunities/ . You'll find everything you need to know about volunteering. We especially need **track attendants!** Please contact me directly to sign up for that. We still have openings for all shifts (typically 5 hrs.) on Friday Night, Saturday, and Sunday

2. **Let us know that you've signed up**. We want to know how we are tracking towards meeting our goal. Drop us a quick note at hollisnoreasters@yahoo.com or on our Facebook page.

3. Be sure to list ***"Nor'Easters Snowmobile Club"*** as the sponsoring club so that the club gets credit for your hours.
